**EDITORIAL.**

Happy New Year to all you MG nuts! On behalf of your committee I wish you a healthy 2015 !

As it's a slow news month I have included the above picture of a splendid J2 Midget in order to get your attention, no other reason, nice though isn't it ?

On a personal note, the time has come to hand over the Editor's job to somebody with fresh ideas, so this will be my last Newsletter after, I think, about three years. I have enjoyed the challenge, hopefully some of you at least enjoyed one or two of the jokes! Whoever takes over the Editor's job will need your support, please make an effort to do just that by submitting material, (pictures or text or both) of interest to petrolheads.

As most people will have either been away visiting friends and family during the last month, or hosting here in

Knysna, MG news will be at a premium. However by the time you read this you will have attended our first event of 2015, the Brenton on Sea sunset picnic and a bumper attendance is anticipated.

A few cars have changed hands over the festive season, Ron Hollis has acquired another Midget, Dennis Houseman now has a Twin Cam MGA, Ricky Cooper yet another MGA and Fred Bickley bought the MGB GT Costello V8 just in time for the fuel price decrease.

Keep the revs up,

Ray

## **FROM THE HIGH CHAIR.**

We have 'slid' into the New Year with amazing rapidity after a busy festive season. The committee and I hope you have enjoyed the holidays with family and friends and wish you happiness, health and success in 2015.

This time last year, our focus was on the forthcoming Indaba and the lives of the organising committee members and other helpers was somewhat hectic. Fortunately we can look forward to a more sedate pace this year with more time to enjoy our club and our MGs. Our first event, the Brenton sunset picnic, is imminent and we look forward to welcoming you all. The programme for the first six months is in the website ([www.mgcarclubsc.co.za](http://www.mgcarclubsc.co.za)) and Fred and Trevor have laid on a series of entertaining and exciting events for your pleasure. If you have not already registered for the George Old Car Show on February 14<sup>th</sup>, please send your car's details to Peter Pretorius on [peterp@afrihost.co.za](mailto:peterp@afrihost.co.za) asap. Please also diarise the **AGM** and party at the Angling Club on **Tuesday 24<sup>th</sup> February**. We look forward to a big turnout.

Looking back, the Christmas prawn braai was the usual unqualified success despite the threatening weather. Our numbers again exceeded previous years and squeezing everyone onto the Angling Club deck needs careful planning! This "formula", including Father Christmas Duncan's distributions, is becoming legendary!

On the charity front, the discussions with the Municipality about the Sivuyela School for deaf children continue – approval has been granted but legal documents now need to be drawn up. The committee will soon be discussing our participation in the Hilleclimb. Most are aware of our safety concerns in the pits and these need addressing firmly. It would be sad not to continue with the fund raising that this generates but if we do assist, our members need to be appropriately indemnified against any adverse incident that may occur.

On a personal note, my M Type has finally been registered and licensed, neither an easy or inexpensive exercise after its 24 year sojourn in the Casterbridge Museum. MG camaraderie has never better demonstrated than while the car was in Ricky Cooper's Classic Car Storage facility. I am hugely indebted to him for his help in getting the car going and for the many others including Clive Holliday and Pat Clough who lent a hand. With huge excitement and considerable trepidation, I recently drove it to Tony Lyons-Lewis's garage where it will be stored while Tony re-creates the woodwork for his similar car. Tony's knowledge and meticulous attention to detail is invaluable and I am most grateful to him for all his help and the storage space, not forgetting Lorna for putting up with my persistent visits.

Anyone near Cape Town over the weekend 19<sup>th</sup> to 21<sup>st</sup> March is well advised to visit Franschoek to see South Africa's MMM Gathering. About 25 cars are expected including three or four from the UK and these pre-war MGs will be shown off in all their glory. The greatest excitement will be from the "competitive event" up the Franschoek pass when some of the racing models will show what they were made of so many years ago. My M Type will be the oldest car there. Please contact me for more information.

Enjoy your MGs and drive safely.

Best wishes for 2015.

Bruce

## **BIRTHDAYS**

Happy January Birthday wishes to Bob Hunt (5<sup>th</sup>); Lionel Hewitt 8<sup>th</sup>); Ron Hollis (20<sup>th</sup>); David Cairns (22<sup>nd</sup>) and Hugo van der Hoven (25<sup>th</sup>)

## **PAST EVENTS**

### **Street Party**

This is fast becoming one of the most popular events on the MG calendar and together with our Garden Route Motor

Club friends a great turnout was recorded.

### Prawn Braai

Equally well attended, the prawn braai again drew the crowds and we had a full house at the Angling Club. The Committee demonstrated their cooking skills and although the “Master Chef” entry is still under discussion, the kitchen skills demonstrated by Ricky, Bruce, Tony, Fred, Duncan and Trevor were well appreciated.

## MAINTAINING THE BREED.

### SAVVA Technical Tip No 92 - Electric Fuel Pump Cut-Offs

More and more vintage car owners are converting their vehicles to use electric fuel pumps, however, we must take heed of a potential problem, and that is, if the engine stops for whatever reason, the fuel pump should automatically disconnect. Here is some advice/warning from Robert van Zyl, and I quote...

"I agree the fitting of electric fuel pumps is a practical solution to the problem of cars that are not in use on a daily basis and have fitted electric pumps to some of my cars. During the carburetor era Ferrari also fitted an electric pump in addition to the mechanical pump. In some cases they fitted an electric and two mechanical pumps.

There is however a safety problem with fitting an electric pump without some sort of cut-out device in the electric circuit. Early fuel injected cars had an inertial cut-out switch which stopped the pump from pumping when the car was subjected to an impact.

There are two solutions:

Fit an inertial cut-out switch

Fit a pressure sensing switch to the oil supply which cuts out when the engine is not running. It might be possible to use the oil pressure switch but I haven't tried this. You will have to fit a press-button over riding switch to get the car started before the oil pressure has time to build up.

Robert van Zyl"

## FORMULA ONE SIXTY YEARS AGO

### 1955

Mercedes again dominated the season, with Fangio taking four races, and his new team mate Moss the British Grand Prix. Ferrari won at Monaco after the Mercedes broke down and Ascari crashed into the harbor. Although he was apparently unscathed, he crashed fatally at Monza four days later. The disaster at the Le Mans 24 Hour race on 11<sup>th</sup> June which killed Pierre LeVagh and over 80 spectators led to the cancellations of four grand prix. Louis Chiron's start at Monaco made him the oldest driver to start a grand prix; he failed to qualify at Monaco as late as 1958.

**MORE OBSERVATIONS ON SCOUSERS**

A scouser walked into the local job centre, marched straight up to the Counter and said 'Hi, I'm looking for a job'.

The man behind the counter replied 'Your timing is amazing.'

We've just got one in from a very wealthy man who wants a chauffeur/bodyguard for his nymphomaniac twin daughters. You'll have to drive around in a big black Mercedes and wear the uniform provided. The hours are a bit long but the meals are provided. You also have to escort the young ladies on their overseas holidays. The Salary

package is £200,000 a year'. The Scouser said 'You're bullshitting me!' The man behind the counter said 'Well you started it!
