Tuesday 15th January : Sundowner Picnic, Brenton-on-sea

Sunday 27th January : Breakfast Run, Zucchini's, Timberlake

The club scrap book is being updated and it would be very important to include records of MGs lost in the fire. If you have photos of cars burned or damaged or a particular story to tell, please forward to Ross Lawson at antart@mweb.co.za .

FROM THE HIGH CHAIR

Although we will be well into the new year by the time this newsletter is received, it comes to you with very best wishes for 2019. The festive season is behind us and life and even our holiday town are returning rapidly to normal.

PAST EVENTS

With regard to the recent past, I would like to especially thank Peter and Jill Morse for their efforts in organising the final events of 2018. Our **Christmas Prawn Braai** was the usual unqualified success enjoyed by a capacity crowd. We were privileged to have Lesley Paton and Sue Langman as our guests. Duncan Paton's traditional presentation of prizes to those who had 'goofed' during the year was continued and added to the entertainment. Ricky's negotiating ability assured that the cost of the prawns was contained and they seemed bigger and more tasty than ever.

The weather must have deterred some because the attendance at the **Gasoline Alley** was somewhat down and the rain did dampen enthusiasm. However the many who did attend thoroughly enjoyed the outing and the innovation of having Cloud 9 and their MaGic music added substantially to the atmosphere of the street party, to the extent that we are already booking them for this year's event!

Unfortunately, the destruction caused by the recent fires around George was extensive damaging over 4000 sleepers on the mountain railway line. The **Power Van excursion**, again fully subscribed, was therefore diverted to Groot Brak and after an entertaining and informative ride to this destination, we enjoyed our picnic in the shade of the trees around the station. The efforts of the two exhibitors of functioning model trains on the station platform in George was remarkable as these two interesting and substantial displays were brought respectively from Durban and Pretoria, the former by club member David Cairns.

FUTURE EVENTS

Thanks again to Jill for compiling the abridged calendar for 2019's events which you will all have received. We look forward to the first of these, the Brenton picnic, on Tuesday 15th January followed by a Timberlake breakfast on the 27th.

There are some changes to our usual routine that have been made because of different circumstances. Please note the following relating to **breakfast runs**:

- The **February** breakfast at Moss & Maple will take place on **March 3rd** as many members will be on the GRMC Price Albert tour the previous week;
- The **April** breakfast at Moss & Maple will take place on **April 21st** to avoid the clash with the Knysna Motor Show the following week.

The big MG event this year is the **Cape Centres Gathering** in Cradock in May and the mini tour to and from this event. If not already entered, please consider joining us as there are still a few places available. 18 South Cape cars have entered and it promises to be an event to remember.

Please diarise the **Knysna motor Show (April 28th)** and the **Simola Hillclimb (2nd – 5th May)**. As usual, we will be needing assistance from our members to manage both these events and will be requesting your help in the near future. Leish Horak will be emailing you about the Hillclimb and I ask that you be generous with your time and volunteer to help us raise our annual amount for donation to charity.

ADMIN

Some mildly bad news! The committee has decided that as our income in 2018 very closely approximated our expenditure, the 2019 subscriptions should be raised to R220.00 p.a. Bear in mind that the club sponsors the meal after the AGM, partly sponsors the catering at the Prawn braai and also the Street Party, and this in addition to the costs of running the club. I feel sure that members will accept this increase especially as the subs have remained static for many years.

In respect of our charity donation for 2018, our efforts to repair the washing machine at Vermont Home continue. It has been established that welding repairs to a reservoir are needed and this has proved difficult. Appropriate service people have now been found and it is hoped that the work will be done in the near future. My thanks go to Tony for his ongoing, tireless efforts to sort out this problem.

Finally this will be Charlotte's penultimate edition as editor. Dave Jones will be returning to this post which he occupied for a few months before he disappeared up Africa when the club was founded in 2007. We are most grateful to Charlotte and congratulate her on a job very well done, and thank Dave for agreeing to return. Dave has asked us to appeal to members to contribute text or pictures towards making the newsletter of ongoing interest to all its readers. I ask you to forward any material of interest about either MGs or the people involved in the marque to Dave at daveandfay@gmail.com.

We look forward to seeing you at the 2019 events.

Drive safely and enjoy your MGs,

Bruce

ANNUAL SUBSCRIPTIONS 2019

By the time you are reading this, the request for payment of your annual subs will have been sent out. Thanks to all who have already paid; you will have received an email acknowledgement of payment. (If you have paid but not received an email, please contact Jill Morse petermorse101@hotmail.co.uk.)

- Please remember to include your **surname** on the beneficiary reference
- If you pay your subs into the bank account by **cash or cheque**, please remember to **add R10** to the total to cover the resulting bank charges

Curry & Quiz Night

A small but select number of MG and GRMC members had a thoroughly enjoyable evening at Belvidere on 13th November when quiz-masters Mike and Sue Mills put us through our paces, and feeding our brain cells with a delicious curry and creme brulee.

By the end of the now-infamous round 2 (Bruce's car questions), the contest was anyone's but over the next 2 rounds, the Phoenix team rose from the ashes and claimed victory for the MG Car Club! Well done to Brian and Jose Davidson and Jill Morse.

Father Christmas came with a MG this year:

A SPECIAL CHRISTMAS PRESENT

Just before Christmas I was informed by Lady Elf that Father Christmas would visit our streets in Lake Brenton to deliver special gifts for the Grandchildren of the residents.

My husband Willie has a sad and boring life now, so I thought it would be fun to have his presents specially delivered this time.

I wrapped a present for Willie and for John our full time carer.

I delivered them to Elf Susan Davies house here in Lake Brenton. Willies name and Johns name clearly written on the packets and placed in a bag for “Boomerang” Dolphin Avenue.

I told John that I had organised to have their presents delivered by Father Christmas, and to have Willie ready and dressed in his best and in his wheelchair at the top of the driveway.,

Father Christmas and his Lady helper Elf arrived to a surprised husband and a beaming Zimbabwean carer, who received their presents with really big smiles and waves.

Willie recognised Sue Davies but could not work out who Father Christmas could be.

I watched John open his present. He tore open the top of the paper and stopped....

“how could they know” he said. Then I realised that John had thought that these presents had really been purchased by Fred and Susan for delivery at Christmas.

I explained to John, that I had bought the present and had it delivered by our resident Father Christmas. He thought that was a wonderful idea and a great way to receive his present.

Two happy chappies in my house, and thankyou to Fred Mullaney and Susan Davies for making our day into smiles and joy. – *by Linnea Putter*

Father Christmas and Lady Elf in a MG – guess who??

Proof that father Christmas came by MG and delivered presents to Willie and John.

As I get older, I realize:

- #1 - I talk to myself, because there are times I need expert advice.
- #2 - I consider "In Style" to be the clothes that still fit.
- #3 - I don't need anger management. I need people to stop pissing me off.
- #4 - My people skills are just fine. It's my tolerance for idiots that needs work.
- #5 - The biggest lie I tell myself is, "I don't need to write that down. I'll remember it."
- #6 - I have days when my life is just a tent away from a circus.
- #7 - These days, "on time" is when I get there.
- #8 - Even duct tape can't fix stupid - but it sure does muffle the sound.
- #9 - Wouldn't it be wonderful if we could put ourselves in the dryer for ten minutes, then come out wrinkle-free and three sizes smaller?
- #10 - Lately, I've noticed people my age are so much older than me.
- #11 - "Getting lucky" means walking into a room and remembering why I'm there.
- #12 - When I was a child, I thought nap time was punishment. Now it feels like a mini vacation.
- #13 - Some days I have no idea what I'm doing out of bed.
- #14 - I thought growing old would take longer.
- #15 - Aging sure has slowed me down, but it hasn't shut me up..
- #16 - I still haven't learned to act my age.

Note: Numbers below refer to each entry on attendance sheet and do not take account of passengers or spouse.

Members with one MG which is under restoration can be awarded 2 points for attending in a "modern" if the editor is made aware of it.
