FROM THE HIGH CHAIR

“A new year and a new challenge, that is for me as I took on the position of editor of this newsletter. I do trust that your 2015 will be a wonderful year, blessed with new opportunities, adventures and many kilometres of fun in your MG’s. I have not done many kilometres in a MG but that is about to change as Clive and I are now permanently living in SA. We are so blessed with our roads and lots of sunshine to enjoy these little cars with the big hearts. I do want to ask all members to feel free to send in articles, ideas and any positive input towards the newsletter. As most of the men with a MG, have a lady in the navigator’s seat, (how else will you men find your way in life :-)) I would like to give them something to read as well but to begin with I ask all men to send me their spouse’s date of birth so that we can congratulate them as well. I really do need the ladies to send in articles that they would like to share or idea of how we can incorporate us women to make this newsletter interesting for us as well. As far as jokes are concerned, I do not know if this edition will have any as I have not received any, but for those who do have respectable jokes, please send them along. I am really looking forward to all the outings in the MG - love the little cars.”

I make no apology for repeating the editorial from Charlotte’s first edition of February 2015. Without fail, month after month since then, she has distributed an informative, well-illustrated,

amusing and very professionally produced newsletter. This being her final edition before her 'retirement', we congratulate and applaud her, we sincerely thank her for her efforts and wish her well.

As most are already aware, Dave Jones will soon be assuming the position of editor and we thank him and trust that he will have fun returning to his previous journalistic career. He has already made a plea for assistance from you, the members, by contributing material in the form of articles, photos, jokes, references, etc. for publication in the newsletter and I hope this will be forthcoming.

EVENTS SURVEY

A big vote of thanks goes to Jill and Peter Morse for setting this up and analysing the outcome.

Twenty members ($\pm 19\%$ of our membership) responded to Jill and Peter Morse's survey and we thank them for their input. This definitely assists us in our planning of future calendars and although we will take notice of members' opinions, it is gratifying to know that our spectrum of already planned events is not far from our members' preferences. Jill will provide the detailed results separately below. Congratulations to new member, Keith Jones, for winning the prize!

MODEL ENGINEERS SOCIETY

The Society of Model Engineers was previously based on a property in Knysna Heights where their trains were stored and where they had outdoor tracks and a workshop. Besides the enjoyment received by the members from participating in their hobby, they provided an enormous amount of pleasure for both children and adults who visited their facility, including 'underprivileged' children who would not otherwise have experienced such entertainment.

Unfortunately, the June 2017 fire put paid to their activities severely damaging the Society's track, equipment and other infrastructure. The members have carried out extensive repairs and are now being allowed to reconstruct their lines in an area behind Totties Restaurant at Rheenendal. However, finance for this is a severe restriction and the Society has made a widespread appeal for financial assistance including to our club.

In sympathy with the society for its loss in the fire, the committee decided to donate R2000 from club funds to assist them in their endeavours. An appreciative letter of thanks has been received from them which will be published below.

IN MEMORIAM

Most members will be aware of the recent sudden and very sad passing of Lesley Paton, widow of our erstwhile Treasurer Duncan. Our sincere condolences go to her sons, Neil, Iain and Alastair and their families.

PAST EVENTS

2019 started with a most pleasant bang with the Brenton-on-Sea picnic. The weather was more pleasant than it has been for years and a very large crowd enjoyed snacks and sundowners in balmy, windless evening sunshine.

The first Sunday breakfast of 2019 at Zucchini's at Timberlake broke all records. It was attended by 96 people and the display of 56 classic cars in the car park was spectacular. The owner is again congratulated on his efficiency in serving such a big crowd in a short time.

The George car show, although little different from previous years, seemed more enjoyable than the past year or two. The comfort of Brian Bruce's marquee contributed significantly to the comfort and we thank him. The attendance from our members was good, the weather was mild and the company in the beer tent was convivial, all making for a pleasant day. Big words of appreciation go to Peter Pretorius for making all the necessary arrangements and dealing with the organisers on our behalf.

FUTURE EVENTS

Peter and Jill have organised an event with a difference on the fields behind Totties at Rheenendal on 17th February and we look forward to this.

The club's AGM with the sponsored 'boerie roll braai' to follow will take place at 18h00 on Tuesday 5th March at the usual venue at the Angling club on Remembrance Drive. All members are requested to attend and provide their input about the running of the club.

Please note that we will be breaking with tradition in that this month's breakfast run will take place on Sunday 3rd March due to the Garden Route Club's tour to Prince Albert.

I look forward to seeing you at the AGM and other events.

Drive safely and enjoy your MGs,

Bruce

EDITORIAL

This is my last newsletter, and I would like to thank you all for baring with me. I am sure there were a lot of grammar mistakes during the years and spelling mistakes – but that I blame on the computers spelling that did not work as it should, but trust you all enjoyed the newsletters. Thank you all who contributed towards it and I really want to ask you to continue to do so as it really makes it easier, after all, it is your voice.

I must say I did enjoy doing the newsletter, learned a few things myself, most of all patients with the computer when it does not respond the way I wanted it to. But then again, they say a computer is just as clever as the person using it.

Best wishes to the new editor, Dave Jones. A change is good every now and then, and I think this change is going to be the best.

Thank you too for Bruce who always encouraged and thanked me for my efforts – it meant a lot.

Charlotte

PAST EVENTS

The turnout was good in spite of the clouds but even these cleared away in time for Sunset. I estimate a little over 50 picnickers from both clubs enjoyed el fresco supper and drinks.

I counted 27 "interesting" cars, 80% being MG's and another 6 plastics quietly parked in most cases tactfully to one side. Also a couple of interesting, classic motor bikes.

Your Committee will be starting to plan next year’s events calendar shortly. We’d welcome any suggestions/input from our members – even better if you’d like to organise an event (with assistance from Peter & Jill if needed), that would be very much appreciated.

Traveling:

I have been in many places, but I've never been in Kahoots. Apparently, you can't go alone. You have to be in Kahoots with someone. I've also never been in Cognito. I hear no one recognizes you there. I have however been in Sane. They don't have an airport, you have to be driven there. I have made several trips there, thanks to my children, friends, family and work. I would like to go to Conclusions, but you have to jump, and I am not too much on physical activity anymore. I have also been in Doubt. That is a sad place to go and I try not to visit there too often. I've been in Flexible, but only when it was very important to stand firm. Sometimes I'm in Capable, and I go there more often as I'm getting older. One of my favourite places to be is in Suspense. It really gets the adrenaline flowing and pumps up the old heart. At my age, I need all

the stimuli I can get. I may have been in Continent, but I don't remember what country that was in. it's an age thing. They tell me it is very wet and damp there.

Life is too short for negative drama and petty things. So, laugh insanely, love truly and forgive quickly!

23 January 2019

Dear Bruce,

Re : DONATION TO KNYSNA SOCIETY OF MODEL ENGINEERS

The Members of the KSME have asked me to write and thank You and the Members of the Knysna MG Club for their very generous donation to our Society of R2000.00.

As you are aware, our Society was devastated by the Knysna Fire on the 7 June 2017 and fortunately our 4 precious locomotives survived the heat of the fire but all the infrastructure, coaches and equipment were destroyed.

The Members of the Society decided to rebuild the coaches and the railway at Totties Restaurant in Reenendal. With limited funds from our previous location on Ridge Road Knysna and donations from Members we were able to start from scratch with the assistance of Garth and Marion van Reenen OF Totties Restaurant.

With 5 working Members, we have refurbished the four burnt coaches, a drivers truck and 170 metres of rail and constructed new rail curves to suit our new layout at Totties Restaurant.

Page 2

Your donation will be used for some special item which the Members can always refer to as from The Knysna MG Club. We would like to thank Len and Sonia Dabner for their effort in getting our Society the kind donation.

We would like to invite you and your Members to visit our railway once it is completed.

Sincerely,

Richard Oelofse

Chairman KSME
