FROM THE HIGH CHAIR

My first duty is to thank the members who attended the AGM for being there and to thank them for their support. There was no controversy and the entire committee was re-elected with the addition of the new editor, Dave Jones whom we welcome to the committee. The minutes of the meeting, the chairman's report and a list of prize winners will be distributed to members.

It has been a good club year but sadly, for the first time, many have not paid their subscriptions and we are concerned that some may not be continuing their membership. Please check that you have not overlooked your payment. Despite that, the club is vibrant and thriving - where else in the country are 97 breakfasts served on a single regular monthly car club outing?!!

KNYSNA MOTOR SHOW

We are now well into the arrangements for the forthcoming Knysna “motoring season”. Unfortunately because of the new AstroTurf pitch at the high school fields, space for the Knysna Motor Show on April 28th has been drastically diminished. Over the past several years, the GRMC has elected to put great effort into changing the show’s character from a simple, low key, local show for local cars into a very selective National event. It has become the “prime focus” of the organisers to offer the public the “best show” in South Africa and we must not lose sight of the very valuable contribution that is made to local charity as a result of the show. Unfortunately however, the consequence for us is that positions for our MG display have been pruned by about 50% to 24.

I, and I have passed some of the buck on to the committee, have been given the most unenviable task of selecting some of our members’ cars for display and we are very much aware that this will result in disappointment if not anger for many who are not selected and who would like to participate in the show, especially since many have contributed to the show in various ways since its inception at Loerie Park many years ago. For this year, therefore, we are attempting to display one example of 17 different MG models and the balance will be filled with the older, more ‘exotic’ T Type models. I trust that members will understand the situation and not be too disappointed if their cars are not offered a position.

As a result of the change, it has become necessary for the committee and, if necessary, the members at a general meeting, following this year’s show to reconsider the future position of the MG Car Club’s participation as a club.

The Jaguar Simola Hillclimb will follow a week later. Leish Horak has been at work preparing the lists of helpers who are needed for crowd control in the pits. He will be requesting your help and I appeal to you to give generously of your time and assist our club in maintaining the reputation we have built up over the years of running one of if not the best managed pits in the country. With your help, this event enables the club to make a significant donation to charity. Some may not be aware that the wristband you receive enabling your entry for your duties allows you access to the track for the full weekend.

Talking about our charity donation, we chose Sivuyela, the school for deaf children in Hornlee, as our beneficiary in 2014. The teacher, Collina Muleka, also deaf, was unqualified. We stipulated that Collina should recommence her training by correspondence as a condition of our participation. We were delighted to hear recently that she has completed her training and received a qualification to teach hearing impaired children. This should also assist her in obtaining a salary from the Government.

The South Cape contingent of 18 MGs attending the PE Centre’s Cape Centres’ Gathering will be looking forward to and soon be preparing for their trip. Peter and Jill have laid on another entertaining programme of attractions and overnight stays on the journey to and from Cradock.

2020 is a National Indaba year and we are most fortunate that the Cape Town Centre will be hosting this on our doorstep in Oudsthoorn. I hope that our members will turn out in numbers and support the event and 'fly the South Cape flag'. Application details will follow later in the newsletter. An invitation from the KZN Centre has been received for MG enthusiasts to join them for a weekend away at the Champagne Castle Hotel in the Drakensberg from 2nd to 4th August. The KZN centre is renown for its fun weekends and if any of our members happen to be nearby at the time, they are guaranteed an enjoyable weekend. Contact Lawrence Sysum on 083 785 0340.

PAST EVENTS

Peter and Jill with the help of family visiting from the UK and the Bickleys staged a most enjoyable driving test on the field behind Totties Restaurant. Four stages included two with the driver blindfolded, one of which required competence on the part of the navigator in verbalising simple instructions. Unfortunately, to the amusement of spectators, navigator's hand signals could not be appreciated by the sightless driver. Each of the stages was won by one of the boys but it is of great significance that the overall winner was Margie von Zeil and our congratulations go to her. It was unfortunate that only a small group joined in the fun but it was a superb outing; well done and thanks to Peter and Jill.

The February breakfast run delayed to March 3rd because of the GRMC weekend at Prince Albert was well attended with over 30 cars present. The hosts give us a great breakfast and the ambience on the veranda is most pleasant.

FUTURE EVENTS

A 'Let's lunch' run to The Peppermill will take place on 20th March. Unfortunately Diane and I will be in Cape Town, but drive safely and enjoy your MGs.

Bruce

Please consider joining the South Cape group for an enjoyable weekend at Oudsthoorn in September 2020. Follow these instructions to register or let me know on brucejhenderson@gmail.com and I will forward entry forms to you.

EDITORIAL

Charlotte departs

leaving Dave to take over

After some years at the helm as Editor, Charlotte Holliday leaves a big act to follow which Dave Jones hopes to fill. Not that this is his first attempt at MG Newsletters as his was the first ever for the South Cape Centre and indeed he put fingers to MG keyboard even before this.

When Ross Lawson arrived in town, fresh from active participation in MG matters in the Eastern Cape, he saw a gap to be filled here. There were a remarkable number of local MG's with nothing to urge them onto the road. So he twisted Ricky Cooper's arm and between the two of them they set a ball in motion with the hosting of a Cape Centres' Gathering and an article in the local newspaper inviting interested MG owners to make contact. At the time, I was doing part-time journalism as a retirement hobby and it was the puzzled Editor of the Knysna-Plett Herald who contacted me to see if I could help these strange locals wanting to start a strange new club.

So on a typically rainy February day in 2005, I met our two pioneers on a road around about where our current Chairman now lives, and shot this photo with The Knysna Heads as background.

Ross Lawson decided it had to feature a collection in red, white and blue. Blue was easy, his lovely MGA coupe. Ricky raided the Frost show room for a white MG TF, while the red MGF in the photo belonged to a lady Ross had met doing her shopping in town and invited to help.

The story was duly written and published in the local paper and this journalist found it all so interesting that he became part of the founding committee and quickly bought an MG.

The first newsletter, No 0, was dated 6 Feb. 2007 and ran to one page. It urged all interested to register before the planned founding meeting on 27 Feb. to qualify as Founder Members. 26 paid their fees and qualified with club badges numbered 1 to 26. Ross is number 1, with Ricky taking number 2. The editor snoozed, in spite of writing the story, and only got number 9.

PAST EVENTS

GEORGE CAR SHOW (9th & 10th Feb.)

The George Car Show was as usual well supported by our club where the shade offered by Brian Bruce's Gazebo was greatly appreciated as ever. There was some tactful pruning off of certain common and less exciting MG models by our organizer which is why there was no "official" MG photographer present, so sadly no photos.

TOTTIES FUN & GAMES (17th Feb)

A small but enthusiastic group gathered by the two cricket pitches behind Totties on 17th February to take part in the Forever Young Games and Picnic.

Competitors charging batteries before

Hectic competition

Starting with a brief visit to the Model Engineers' development where the model railway will be completed in the next few weeks, there followed fun and games as members negotiated their way round a circle of '8' – blindfolded! Needless to say, they did have highly vocal support (and a lot of hand-directing!) from their passengers. George Davey, ably guided by Margie von Zeil, took honours on this round.

Next came a test of reversing and throwing washers into a bucket. Harder than we thought, it seems. Out of 140 washers thrown, only 23 hit their target. Perhaps we'll use wheelie bins next time? The winning combination of time and washers produced a winner in Bruce "bat out of hell" Henderson.

After a picnic break, two short games completed the event. Another blindfold challenge, this time the driver going solo towards a wall of cardboard boxes. Hazardous for the folks standing besides the boxes – 3 cars managed almost to demolish the wall. The best judge of how far his car had gone was Wilhelm Cool. Within 2m of the wall.

Serious Competitors – George Davey and Roger Fisher

Close by, drivers were being asked to judge the width and height of their cars on distant goal posts and then put their cars to the test to get through the space. There were some very close calls, with 4 cars just millimeters off perfect height but a touch too low. The car that “limbo’ed “ closest was Roger Fisher’s TF.

Everyone had scored points throughout all the games and emerging 1st overall was a delighted Margie von Zeil, who now keeps the trophy for the foreseeable future and is the first lady member to be listed on the trophy. (Trophy was awarded at the AGM.)

Story and photos by Jill Morse - Thanks Jill.

PRINCE ALBERT OUTING (22nd – 24th March)

This interesting outing arranged by the GRMC was well supported with 71 participants and around 30 cars, although some of them were very modern plastics. The MG Club was well represented with 16 members and 8 “real” cars, ranging from the up-to-date MGF’s of Fred & Jo Mullany and Frank & Merle Friedman, to the MG Midget of Peter & Jill Morse, the MGB’s of Podge & Merrill Milton with Dave & Fay Jones, the MGA of Bruce & Dianne Henderson. Last, but not by all means last, were the immaculate TD of Bunny and Jan Mentz and the TC of Karl and Tilly Reitz.

Catholic selection of cars en route

With plenty of eating on arrival

There had been some grumblings about this outing clashing with our regular breakfast run, but I guess one has to blame Pieter-Dirk Uys for that and it was a well organized event with two good shows by Pieter -Dirk to keep one amused between other outings and eatings.

Incomplete MG Club line-up at the Olive Farm - others did not fancy the corrugations – Fred’s TF is shyly tucked behind the show-off oldies.

MOSS & MAPLE RUN (3rd March)

The late change in date because of the Prince Albert clash did not seem to put many off as there were 19 MG’s counted at this run and 9 other assorted classics with 33 for breakfast.

A Moss & Maple line-up as delicious as breakfast with lovely waitresses having a taste

Contributing to the success of the outing was the opportunity to move on to a Polo Club lunch, arranged by the GRMC to meet a touring party from Europe in their really swanky classics. Again, the MG club was well represented with a third of the 33 local classics being from our marque.

MG line-up at the Kurland Polo Club - & our visitors - Note the huge white Rolls convertible

MG SOUTH CAPE CENTRE AGM (5th March)

A well attended AGM with close to 50 members and spouses giving support (25 members signed the register). The well formulated Chairman's report by Bruce Henderson and the well organized Treasurer's report by Jill Morse left no doubt that our Centre is well run and thriving. So much so that the committee was re-elected unchanged, apart from the addition of Dave Jones as the incoming Newsletter Editor. (If its not broke, why fix it ?) Warm appreciation to them all.

Before adjourning for refreshments and a very pleasant chat over Boerie rolls in the comfortable surroundings of the Angling Club, the pleasant formalities of the presentation of awards for the past year were conducted by Chairman Bruce. Also formal tokens of appreciation to Neil Metelerkamp for his services as Honorary Auditor and to Charlotte Holliday for her dedicated years as our Newsletter Editor.

Neil Meterlekamp does not do photos

But Charlotte Holliday has no such hang-ups

Shared Antart Trophy for participation awarded to Murray Douglas & Fred Bickle

Bunny Mentz took the Chequered Flag Trophy for the Mossel Bay treasure hunt.

T Type Trophy was collected by Lionel Hewitt

Fun & Games first place by Margie von Zeil
